Notes

Where Your Clients Come From

How Clients Check You Out

Your content takes the first meeting for you, before they ever pick up the phone.

Your Starting Point

Last 10 clients | Where did each of them come from?

Referral % | Share of work from referrals

Platforms | Where are you now? When's the last post?

Posting now | How often do you post today?

Biggest blocker | What stops you posting? Be honest.

90-day goal | What would make content worth it for your firm?
