Your 30-Day Post Plan

YOUR NEXT 30 DAYS ARE PLANNED FOR YOU. YOU JUST NEED TO TAKE ACTION.

magnify growth.

How This Works

1

BEFORE DAY 1

Shoot day

Film all 13 posts in one half-day using the scripts on the post pages (Module 5). One day of filming = one month of content.

2

EVERY MONDAY

Review + schedule

Claude reviews last week's numbers, then you schedule that week's 3 posts (Modules 6 and 7). Thirty minutes.

3

EVERY DAY

Do the one job

The calendar gives every day one job. Most take 15 minutes. Tick it off when it's done.

4

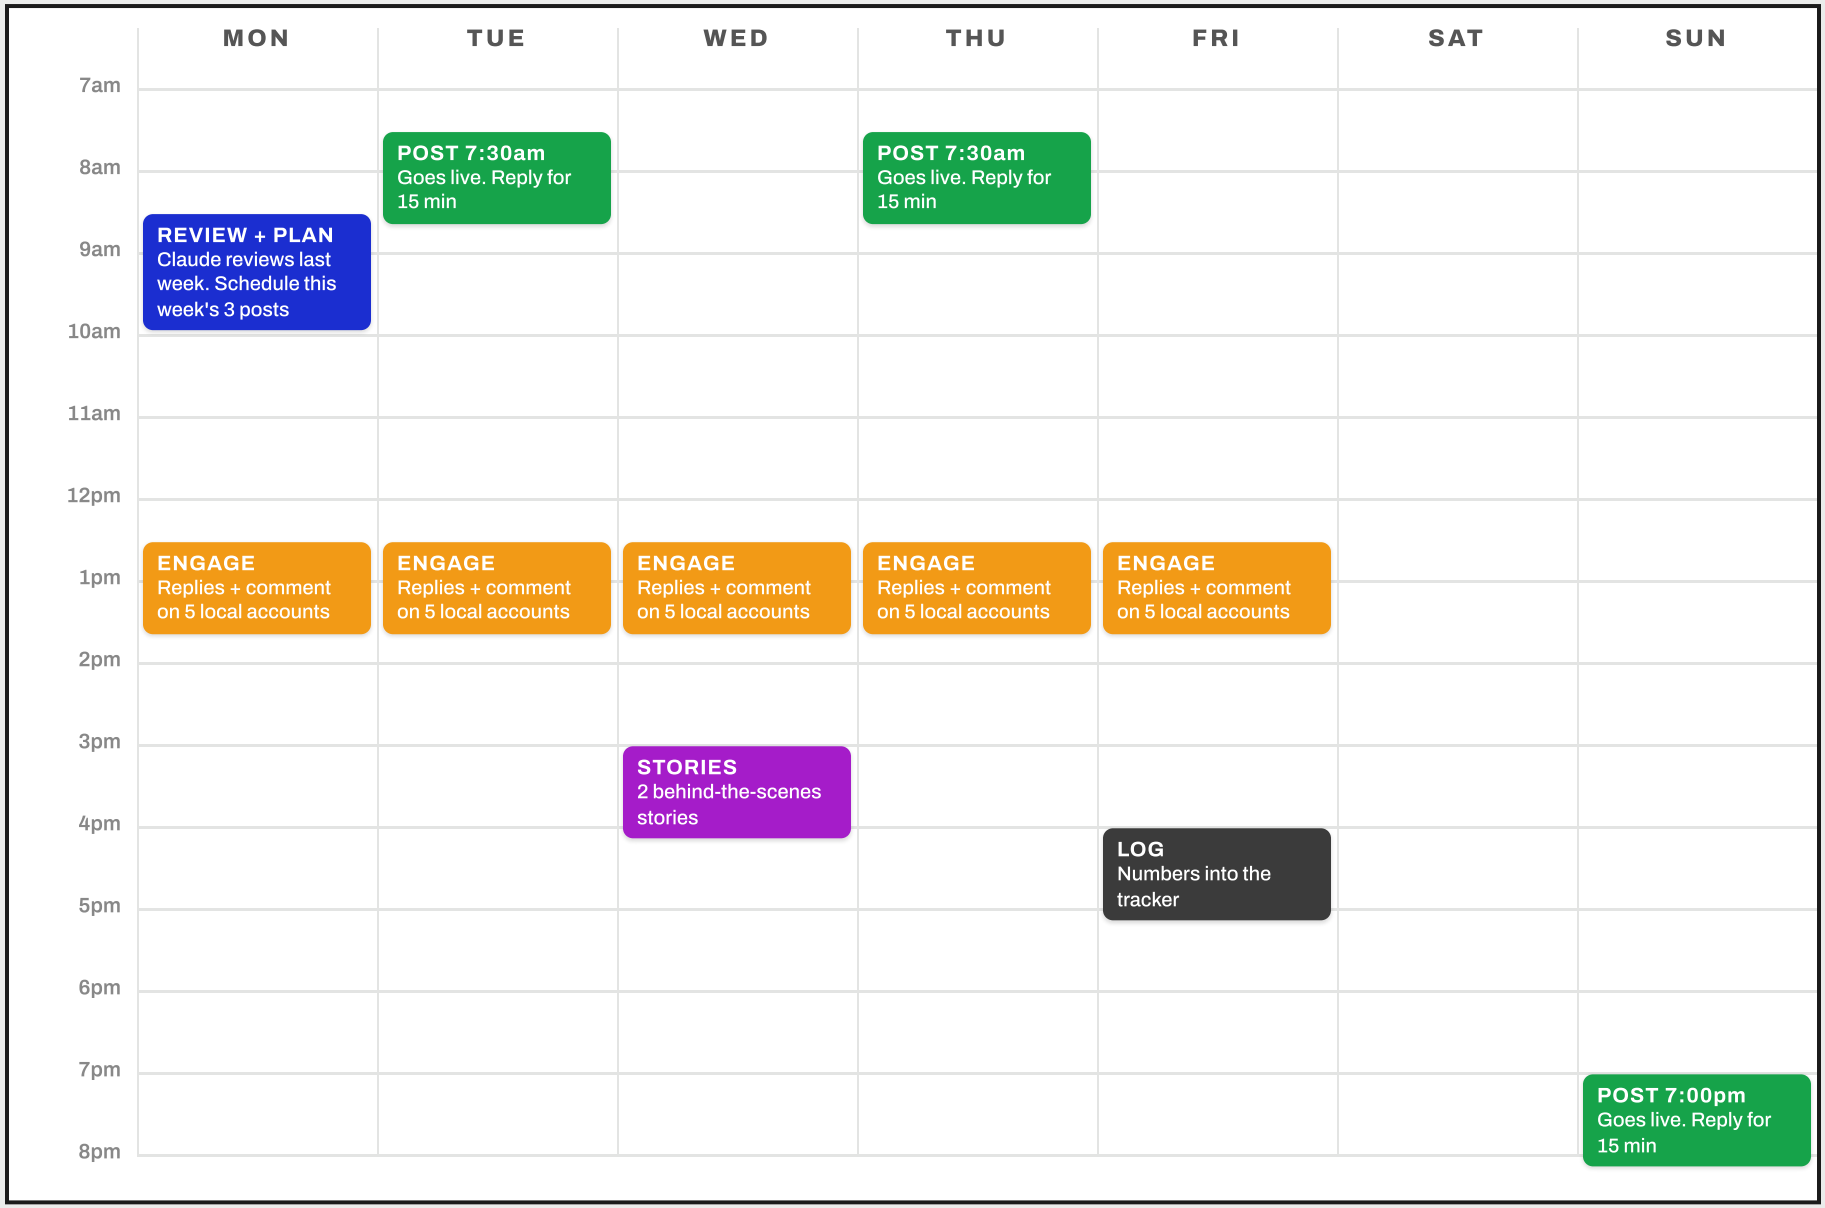

DAY 29

Review + go again

Score your posts on the Day-30 grid, keep what worked, and book next month's shoot day.

Client stories: remove names and anything identifying, get the client's OK, and check your local conduct and advertising rules before posting results.

Your Weekly Content Schedule

About 3 hours a week. Put these blocks in your calendar as recurring events now, the same way you'd block a client meeting. Once a month, add a half-day shoot.
