Hooks That Work for Firms

Call out who it's for

"If you're [who] and [situation]..."

"If you're separating and you own a business, watch this."

The number

"3 signs / 5 mistakes / 1 thing..."

"3 signs your business partner is about to walk."

Stop doing this

"Stop [common action] if you want [result]."

"Stop going to your bank first if you're self-employed."

The question you always get

"The #1 question clients ask me is..."

"Everyone asks me: will I lose the house?"

Experience

"After [years / cases], here's what I know..."

"After 400 property settlements, here's what nobody tells you."

Red flag or green flag?

Read out scenarios, call each one.

"Red flag or green flag: they want 60-day terms on the first job."

8 Structures That Work for Firms

Myth-Busting Reframe

Common belief, why it's wrong, what's true.

"50/50 is automatic." It isn't.

Rating Advice 0-10

Read out advice people get, score it, explain.

"Just use the same lawyer as your ex." 0/10.

Red Flag / Green Flag

Rapid scenarios, call each one.

Buying a business: red or green?

Tier List

Rank options S to F, with a reason.

Ways to finance equipment, ranked.

Smart vs Dumb

The dumb way people do it vs the smart way.

Dumb: sign first. Smart: get advice first.

Is It Possible To...?

Challenge, game plan, result, lesson.

Can you get a home loan 6 months into a business?

Behind the Scenes

Show the work most people never see.

How we prep a client for mediation.

Two People Are Trying To...

Same goal, two approaches, two outcomes.

Two couples split. One gets advice early.

Use Claude to Draft the Script

Paste this into Claude

```
I run [firm] in [city]. We help [who] with [practice area].
My 3 content pillars: [pillar 1], [pillar 2], [pillar 3].
My clients usually ask: [3 real questions].

Write a 45-second Instagram Reel script on: [topic].
Use the [structure] structure.
Give me:
- a written hook (on-screen text, under 7 words)
- a verbal hook (first sentence)
- a visual hook (what the viewer sees)
- the body in short spoken sentences
- a CTA for [TOFU / MOFU / BOFU]
- 3 alternative hooks to test

Write it how I talk across the desk, not how I write a letter of advice. General
information only, no promises of outcomes.
```

SAY IT LIKE YOU WOULD ACROSS THE DESK, NOT LIKE YOU WOULD WRITE IT IN A LETTER.
