The Organic Content Pillars

Pillar 1: Connection

THEY'RE ASKING

Do I like you? Do you get what I'm going through?

THE TRAP

Disconnect: only tips and results, so they never meet the person behind the firm.

Character

Your opinions, your beliefs, what you go against the grain on.

POST IDEAS

- Why you became a lawyer
- Your take on this week's news (beliefs, not party politics)
- An unpopular opinion about your industry

SAY THIS FIRST

"Unpopular opinion: most separations should never go near a courtroom."

Day

Document what you already do: court, meetings, the drive, the 7am coffee.

POST IDEAS

- A day in the life
- Come with me to court (no client details)
- What you do outside the office

SAY THIS FIRST

"What a Tuesday actually looks like for a family lawyer."

Team

Put faces to the firm. Collab posts with the people clients will deal with.

POST IDEAS

- Meet [name] and what they look after
- Ask our in-house accountant
- Two lawyers, two specialties, one question

SAY THIS FIRST

"This is [name]. If you've ever [problem], she's who you want."

WHY IT MATTERS

People buy people. Your character is your strongest selling point.

"Day in the Life as an Attorney at a Miami Law Firm". The firm usually gets hundreds.

Pillar 2: Value

THEY'RE ASKING
Is this helpful? Do I understand my situation better now?

THE TRAP
Lecturing: "you should do this", too detailed, too much in one video.

Pain points

The thing keeping your clients up at night, answered honestly.

POST IDEAS

- "Will I lose the house?"
- The most expensive mistake you see
- What happens with the kids

SAY THIS FIRST

"'Will I lose the house?' Here's the honest answer."

Challenges / obstacles

Call out the exact situation they're stuck in, then show the way through.

POST IDEAS

- Your ex won't cooperate: 3 options
- Just separated? Do this first
- 3 red flags your ex is hiding assets

SAY THIS FIRST

"If you've just separated and don't know what to do first, watch this."

Simplifying concepts

Take a term or process people get stuck on and say it in plain English.

POST IDEAS

- A "Law in 30 Seconds" series
- The 50/50 myth
- What mediation actually is

SAY THIS FIRST

"What a binding financial agreement actually is, in 30 seconds."

WHY IT MATTERS

One slice of the cake per video. The deeper you know it, the simpler you explain it.

SEEN IT WORK

39M views · Law By Mike (US)

"Things You Think Are Illegal, That Are Actually Legal": one concept, made simple.

Pillar 3: Proof

THEY'RE ASKING
Are you legit? Who have you actually helped?

THE TRAP
Disbelief: great talker, but no sign of real clients or results.

Testimonial

A client on camera in their own words, with written permission.

POST IDEAS

- Ask happy clients when the matter closes
- 20 seconds: "what it was like working with us"
- Read a Google review out on camera

SAY THIS FIRST

"Don't take it from me. Here's what [client] said."

Case study

Start with the outcome, then walk through how you got there. De-identified.

POST IDEAS

- "Is it possible to [result]? Yes."
- From first call to settled in [X] months
- The 3 things that made the difference

SAY THIS FIRST

"A client came to us after [obstacle]. [X] months later, [outcome]."

Screenshots

The thank-you emails and texts you already get. Names blurred, with permission.

POST IDEAS

- "This message made our week"
- Review of the month
- A timeline of a matter (no details)

SAY THIS FIRST

"This message made our whole week."

WHY IT MATTERS

Knowing the law isn't enough. Show the people you've helped.

SEEN IT WORK

7.9M views · Mike Rafi, injury lawyer (US)

"We Sued Uber, Won, and Can Talk About It": the result first, then the story.

Pillar 4: Invitation

THEY'RE ASKING
How do I get started with you?

THE TRAP
Selling: a pitch in every post. Give publicly, sell privately. Let your ads do the selling.

Resource

A free checklist, guide or short training they get by commenting a keyword.

POST IDEAS

- First-meeting checklist (comment CHECKLIST)
- A "first 30 days after separating" guide
- A free 15-min explainer video

SAY THIS FIRST

"I made a checklist of everything to bring to your first meeting. Comment CHECKLIST."

Events

Meet people in person: a free Q&A night, a coffee meetup, a local talk.

POST IDEAS

- Free legal Q&A night
- "Coffee's on me, [suburb], Friday 8am"
- A talk at a local business group

SAY THIS FIRST

"We're running a free Q&A night in [suburb]. Comment SEAT for details."

Workshops

A low-cost, deeper session for people who've been following for a while.

POST IDEAS

- Separation 101 (2 hours)
- A wills and estates evening
- An online workshop for business owners

SAY THIS FIRST

"Want to go deeper on this? I'm running a 2-hour workshop on [date]."

WHY IT MATTERS

Invite them into your world. It shouldn't feel like a sale, just an open door.

The Outlier Method

EVERY QUESTION A CLIENT HAS EVER ASKED YOU IS A VIDEO.

RULE 01

BE DIFFERENT FROM EVERY OTHER FIRM.

RULE 02

BARE MINIMUM: ONCE A WEEK.

MAX PLAY: ONCE A DAY.

RULE 03

REVIEW ONCE A WEEK. IMPROVE ONE THING.

Start Where You Are

1 a week

BARE MINIMUM

Post the Monday post every week. Never go below this.

Days 1, 8, 15, 22, 29

5 posts this month

3 a week

BUILDING

Monday, Wednesday and Friday. Move up when once a week feels easy.

Days 1, 3, 5, 8, 10, 12, 15, 17, 19, 22, 24, 26, 29

13 posts this month

1 a day

MAX PLAY

Every post in this plan. This is where it compounds.

Days 1 to 30

30 posts this month

The guiding principle: start with the bare minimum, once a week, then build to once a day. A good post this week beats a perfect post next month.

Guiding Principles

LIMITING BELIEF

"I don't like how I look on camera."

You won't love it at the start. Nobody does, and that's fine. It gets easier with every video.

LIMITING BELIEF

"It needs one more edit."

You'll want to tweak it forever. Post it anyway, then get feedback and make the next one better.

GUIDING PRINCIPLE

Don't let analysis paralysis stop you.

Bare minimum once a week, max play once a day. A good post this week beats a perfect post next month.

GUIDING PRINCIPLE

Review once a week.

Every Sunday, look back and improve one thing. Then bring it up with us on our weekly call.
