ORGANIC CONTENT PROGRAM

Your 30-Day Post Plan

YOUR NEXT 30 DAYS ARE PLANNED FOR YOU. YOU JUST NEED TO TAKE ACTION.

How This Works

1

BEFORE DAY 1

Shoot day

Film the 23 talking-head posts in one half-day (Module 5). The other 7 you film as they happen: your day, the team, a client.

2

EVERY MONDAY

Review + schedule

Claude reviews last week's numbers, then you schedule the week's 7 posts (Modules 6 and 7). Thirty minutes.

3

EVERY DAY

One post, 7:30am

One post goes out every morning. Reply to comments for 15 minutes after it goes live. Tick it off.

4

EVERY SUNDAY

Improve one thing

Look back at the week, be honest, and improve one thing. On day 30, score every post and book next month's shoot.

Client stories: remove names and anything identifying, get the client's OK, and check your local conduct and advertising rules before posting results.

BARE MINIMUM:
ONCE A WEEK.

MAX PLAY:
ONCE A DAY.

Start Where You Are

1 a week

BARE MINIMUM

Post the Monday post every week. Never go below this.

Days 1, 8, 15, 22, 29

5 posts this month

3 a week

BUILDING

Monday, Wednesday and Friday. Move up when once a week feels easy.

Days 1, 3, 5, 8, 10, 12, 15, 17, 19, 22, 24, 26, 29

13 posts this month

1 a day

MAX PLAY

Every post in this plan. This is where it compounds.

Days 1 to 30

30 posts this month

The guiding principle: start with the bare minimum, once a week, then build to once a day. A good post this week beats a perfect post next month.

Guiding Principles

LIMITING BELIEF

"I don't like how I look on camera."

You won't love it at the start. Nobody does, and that's fine. It gets easier with every video.

LIMITING BELIEF

"It needs one more edit."

You'll want to tweak it forever. Post it anyway, then get feedback and make the next one better.

GUIDING PRINCIPLE

Don't let analysis paralysis stop you.

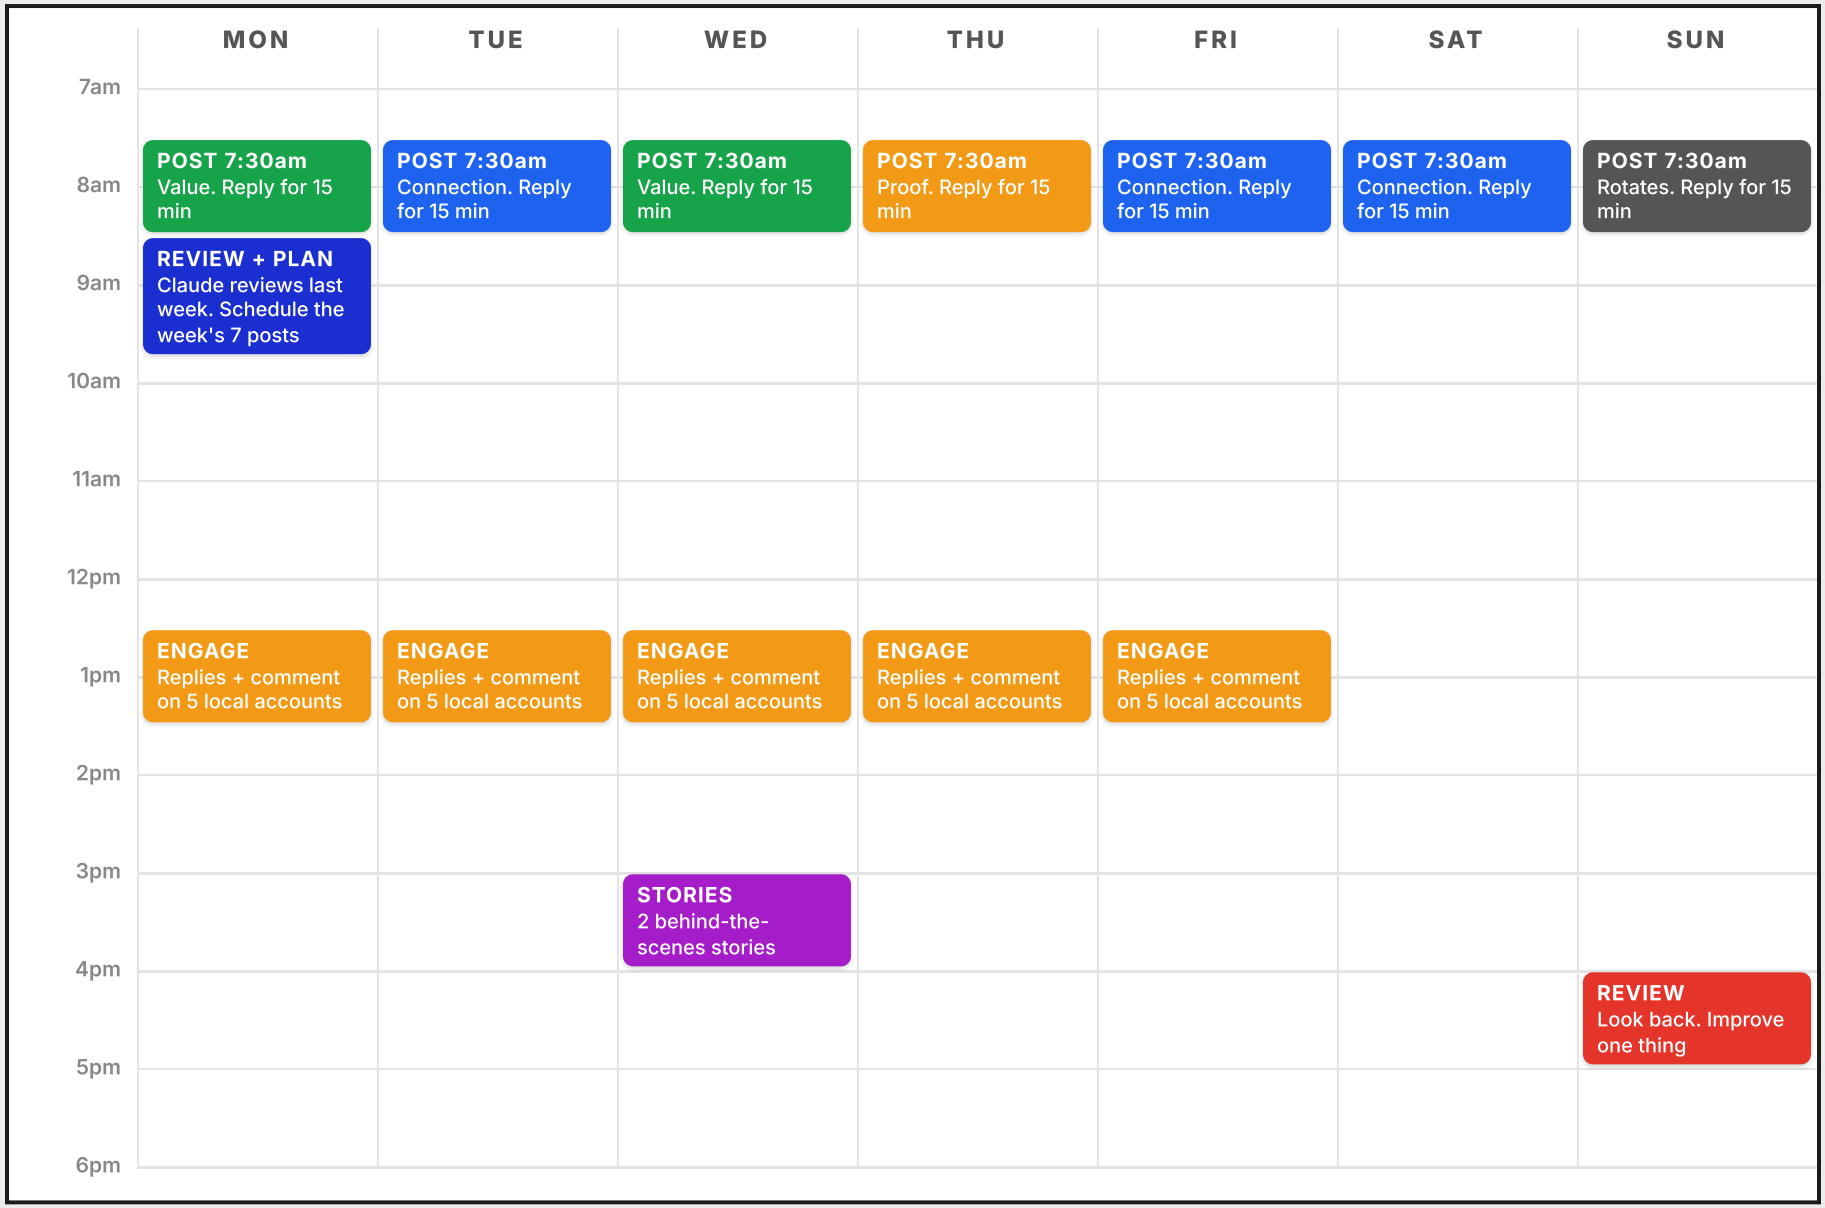

Bare minimum once a week, max play once a day. A good post this week beats a perfect post next month.

GUIDING PRINCIPLE

Review once a week.

Every Sunday, look back and improve one thing. Then bring it up with us on our weekly call.

Your Weekly Content Schedule

About 4 hours a week. Put these blocks in your calendar as recurring events now, the same way you'd block a client meeting. Once a month, add a half-day shoot.
